11th NPP Workshop

Bridging the multiple dimensions of global NPP diversity

7th to 11th June 2027, Vilnius, Lithuania

Information Letter 1

Dear colleagues,

We are pleased to invite you to the 11th Non-Pollen Palynomorphs Workshop, which will be held in Vilnius (Lithuania) from 7th to 11th June 2027.

Our regular NPP workshop with its traditional format including oral and poster presentations, a microscopy session, discussions and excursion will be combined with the COST Action "PalaeOpen" (https://www.cost.eu/actions/CA23116/). This workshop aims to initiate discussions on urgent research questions that can be addressed using NPPs and will contribute to the overarching PalaeOpen goal of advancing our understanding of ecosystem responses to climate and land-use change.

- REGISTRATION:

Online registration is open: https://forms.gle/K5YG1gRRzNQgwrCo9. Travel support is available. Please indicate on the registration form if you require it. Additional details on the application process will follow in Information Letter 2 in February 2027.

- WEBSITE: https://npp2027lt.weebly.com
